Has everyone drawn lots?

Make sure to move your personal belongings before leaving.

Chatter

Where's your seat?

I'm at the front, this sucks...

Chatter

Oh, we're so close together

Lucky!

Yay,

I got the last window seat.

Michiru,

It's not often I'm this lucky...

...

You got the window seat!!
You're so luckyyy
Sitting in front of me is...
The popular Unabara-san, right?
Hmm
It's already too late to switch...
Seems like break time will be lively from now on~
Let's go to the boba store in front of the station today!
Alright.
Yayyy!
KYA

Well, whatever,
I'll just wear my earphones during break.

The girl who sits behind you, Kazami-san,
Is cute but hard to approach.
Whisper
Ah, I know, right?
Really?
Michiru, you can get along with anyone.
Lol

I pay lots of attention to voice actors and actresses,
But I'm not interested in Rakugo...

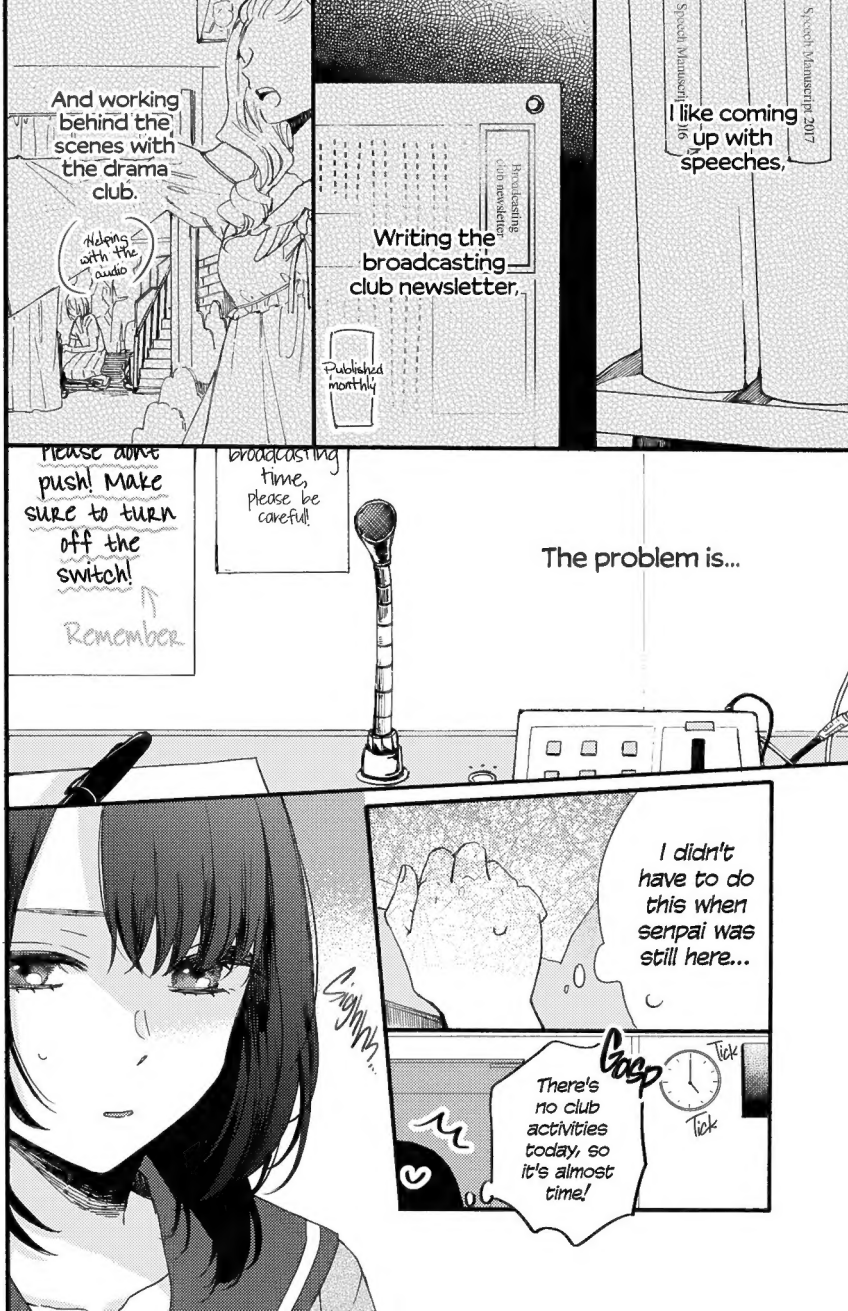
I really liked the President's voice, though...
The broadcasting room, which I'm the only one left using after my senpai graduated,
Is so comfortable.



I like coming up with speeches,

Writing the broadcasting club newsletter,

And working behind the scenes with the drama club.
Helping with the audio
broadcasting time, please be careful!
Please don't push! Make sure to turn off the switch!
Remember
The problem is...
I didn't have to do this when senpai was still here...
Sigh...
Gasp
There's no club activities today, so it's almost time!

Since a long time ago,
It's the end of the school day.
Students, please go home promptly.
I've hated my own voice.

From page 30, some-one...

Okay everyone, quiet down.
I weren't so uncomfortable when surrounded with noise.
Since it's the 3rd.
Then number three, Unabara.
GEH
Michiru, don't mind it.
Laugh
Uwah~ Based on the date~

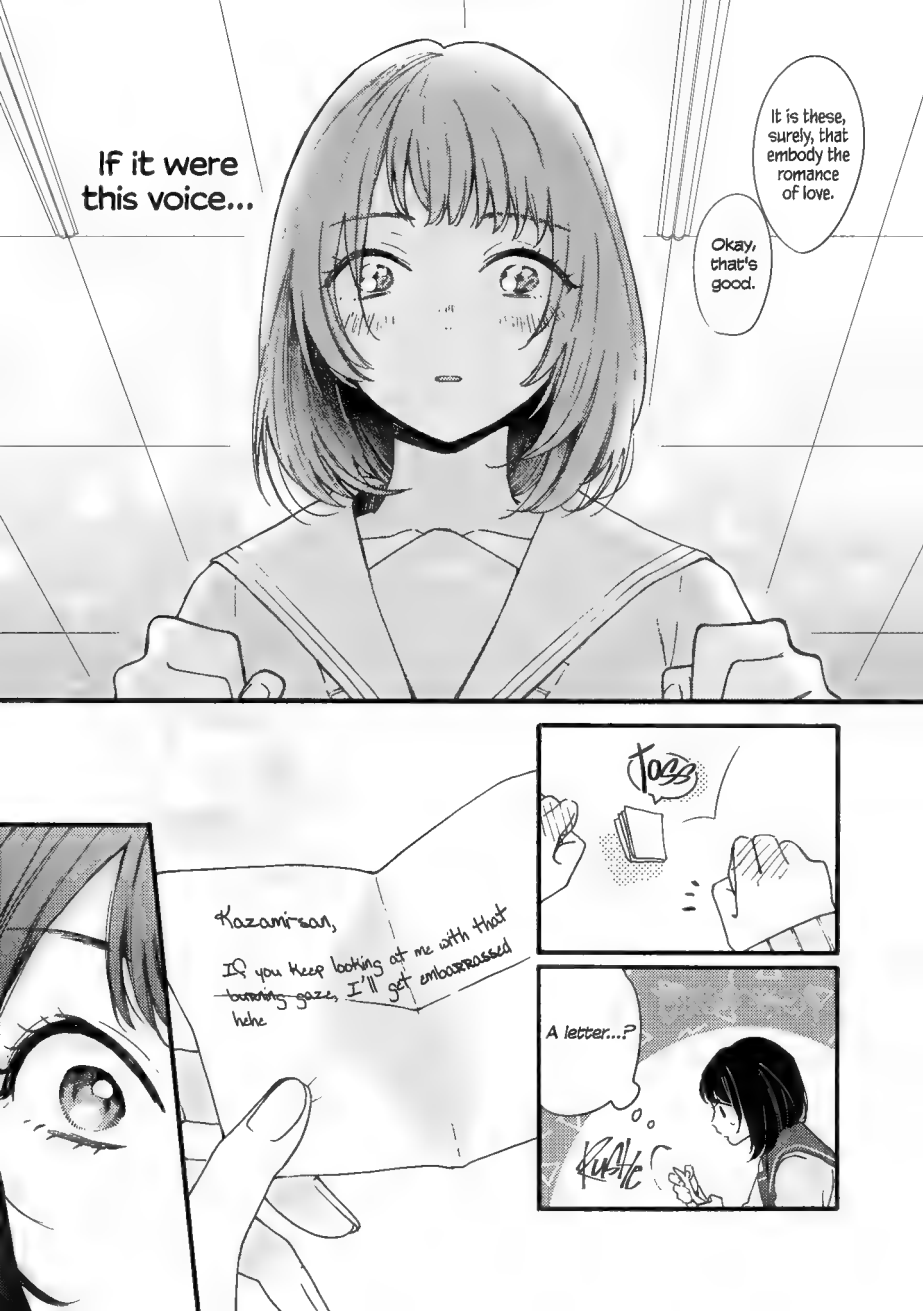
If only I didn't hate my own voice.
My ideal voice is
A bit high, clear,
And cold.
Haaa

In all things, the beginning and end are the most engaging.
Fwoosh
Does the love of man and woman...
...Suggest only their embraces?

No, the sorrow of lovers parted before they met,
Laments over promises betrayed,
Long lonely nights spent sleepless until dawn, pining thoughts for one in some far place,
...Like that.
A woman left sighing over past love in her tumbledown abode—



If it were this voice...
It is these, surely, that embody the romance of love.
Okay, that's good.
Kazami-san,
If you keep looking at me with that ~~burning~~ gaze, I'll get embarrassed hehe
Toss
A letter...?

I wonder if she'll get chosen to read...

Michiru
Isn't it like this lol
Nagi
Unabara-san's doodle... lmao
We've been exchanging letters two to three times a day.
Ooh, so good!!
It's all about trivial
And nonsensical things, but...
Is something wrong, Hazami-san?
N-no... I'm sorry...
Hase-sensei, our modern lit teach, looks like a capybara.
Michiru

Michiru
Before I knew it,
Our time spent exchanging letters...
Became the most precious thing in the world to me.

Now that I think about it...
The letters always end at Unabara-san's turn.
I want to keep at least one...
Kyahaha
Michiru, did you get faster again?
No way, I still need to practice more
Ah.

We neither go home
Nor have lunch together.

Obviously, we aren't in the same clubs.
Without fail,

I'm glad I managed to save them up before summer break.
Until today...?
Yeah!

I'M MOVING AWAY THIS SUMMER.
HUH...?!
My dad is moving overseas for work.
So we're going with him.
I wanna go to America too.
You didn't say anything at school...!
Ah... That's 'cause I don't like bringing the mood down.
I even got the teachers to keep it a secret for me.
So...
So soon...
I still haven't...

I haven't even been able to say your name.
...I like
Letters.
Letters...?
Yeah!
Hand-written letters!
Maybe it's because my grandma was a calligraphy teacher.

Kazami Yagi
IT WAS LOVE AT FIRST SIGHT FOR ME.
During the third semester of last year...
You started writing the "Broadcasting Club Newsletter".

I looked forward to reading it every month,
While also being curious about the person behind it.
After I found out that we were in the same class,
I eagerly awaited the day we would change seats.
...It's the first time
Someone's complimented me on my writing...
Really?
Your handwriting's beautiful, you know.

T/N: The kanji for Nagi (凪) means 'calm' and Michiru uses that kanji here.

That is
Exactly how your voice is, Unabara-san...
I...
Say it.
I...

I really like your voice, Unabara-san.
If I don't say it now...
